Hi Linda,

Yes that works for us. I will insert this on his calendar as Dennis calling him at 9am tomorrow, Aug. 1, to go over Geotech permit schedule and Shell's mud line cellar request.

Cheers,

Hi Crystal,

Matt is out of the office for a week, I am filling in for him. Would 9 am on Friday the 1st work for Mr. Slaiby?

Regards,

Linda

Hi Stephanie,

I'm following up on the two voicemail messages I left you.

Dennis McLerran would like to speak with Pete Slaiby about our Geotech permit schedule and Shell's mud line cellar request as soon as possible.

I imagine 30-45 minutes would be sufficient and that Dennis will ask Hanh Shaw, Dan Opalski and possibly Allyn Stern (counsel) to join him on the call.

I'll be out of the office beginning tomorrow through next Thursday, but If you would please contact one of my colleagues, Linda Erikson or Kendra Tyler, at 206-553-1234 (also copied on this email) – they will help find a time for Dennis & Pete to connect.

Thanks you!

Matt
